**Tarpon Springs Outdoor Music Festival
Educational Clinic Opportunities**

New **EXCITING** Educational Opportunity

This year for the first time we will be sponsoring five first come first serve clinic opportunities for any band who would like the opportunity to have their band perform for our guest clinicians and receive direct commentary and instruction. This clinic opportunity can be driven by the director with the following three options:

- 1. The band can perform their entire show for the clinicians and receive commentary.**
- 2. The band can perform a specific section of the show and steer the clinic towards where the director would like to receive commentary that would help improve that specific area of concern.**
- 3. The band director can bring his design team and instructional staff and work directly with and ask questions of our clinicians.**

These clinics will be a ½ hour session in the stadium with the first performing group beginning at 12pm in the afternoon and continuing until approximately 3pm. We hope you will consider this opportunity and we look forward to working together with you to improve the process and the quality of your program.

The clinicians for this unique opportunity include:

Brass - Frank Sullivan/Music Arranging

Woodwinds - Howard Weinstein

Color Guard - Jeannine Ford

Marching Fundamentals - Bob Barfield and Johnny Zollo

Percussion - TBA

Full Ensemble - Kevin Ford

Please return this form along with the \$275.00 registration fee for this clinic, made payable to:

**Tarpon Springs Band Boosters, Inc.,
P. O. Box 642, Tarpon Springs, FL 34688**
